What is MTSS?
CUSD is making a commitment to increase the social emotional, behavior, and academic support for all of our young people. We call this focused approach to organizing and providing support: “Multi-tiered System of Supports” or “MTSS.” Click HERE to access the new Parent Guide to MTSS for more information about our support system in the areas of social emotional, behavior, and academics.

MTSS Focus for May: Mental Health Awareness Month
For the month of May, we are focusing on mental health awareness. Did you know that half of all mental illness begins by age 14? When children and youth living with mental illness have access to effective services and supports, they can develop close relationships with family and friends, learn to cope with challenging symptoms and gain the educational and social experiences they need to succeed in life.

Family Resources: Mental Health Awareness
The following articles and resources are available for your family to learn more about mental health:

“Trying to tell the difference between what expected behaviors are and what might be the signs of a mental illness isn't always easy. Each illness has its own symptoms, but there are common signs of mental illness in adults and adolescents.”
Interested? Learn more in the following article:
   ● Know the Warning Signs

“Mental disorders among children are described as serious changes in the way children typically learn, behave, or handle their emotions, which cause distress and problems getting through the day.”
Interested? Learn more from the CDC website:
   ● Children’s Mental Health Disorders

“Suicide prevention starts with recognizing the warning signs and taking them seriously. If you think a friend or family member is considering suicide, you might be afraid to bring up the subject. But talking openly about suicidal thoughts and feelings can save a life.”

Parenting Workshop for May: Youth Suicide Prevention & School Safety

Community Forum

To support our families and provide parenting strategies to support their children’s social, emotional, and behavioral needs, we are offering the following parent workshops during the month of May:

Youth Suicide Prevention

Thursday, May 2, 2019 from 6:30-7:30 pm at the District Office: Boardroom

Presented by Orange County Department of Education, this workshop will cover suicide warnings signs and risk factors, strategies and skills on how to work with youth who may be thinking of suicide, and community resources. The workshop will be conducted in English with Spanish interpretation.

School Safety Community Forum

Tuesday, May 7, 2019 from 6-7:30 pm at the District Office: Boardroom

Presented by Orange County Department of Education, this forum will include discussions around the importance of prevention and early intervention, best practices for school safety, supporting children in times of crisis and ways we can work together as a community to prevent violence within the school setting.
